As a full member I become a member of the Austrian Badminton Federation (ÖBV). As a junior member I can also become a member of the Austrian Badminton Federation (ÖBV) with the coach's approval. Risks and Ethics

I participate in activities of the club, particularly in sports activities, at my own risk. I should get myself examined by a specialist in advance, especially if I am aware of any physical weaknesses. The sport Badminton does not compare to casual badminton you may play in the garden. If I have any questions about common strains or injuries I can contact the executive committee. The club cannot accept any liability for accidents and damages.

As a member of this sports club, I commit to interact maybe potentially emotional but always respectfully with friends, colleagues and opponents. I also adhere to the Austrian Anti-Doping laws and regulations, especially § 19 "Verpflichtungen des Sportlers".

Data Processing

I hereby consent that my personal data may be processed manually and electronically by the controller, Union VRC Badminton, for the statutory purposes of the club, such as communication within the club, forwarding to umbrella associations and publication in e.g. rankings, tournament reports or match reports. I have been sufficiently informed about this and can at any time obtain more information from club management or exercise my rights, such as withdrawal of my consent or the right to restriction of processing in accordance with Chapter III of the GDPR. I accept that exercising these rights is, unfortunately, likely to restrict me in pursuing Badminton as a competitive sport, as the transfer of data constitutes a prerequisite for this and that under certain circumstances it may not be possible to delete my data completely, especially from match results and rankings.

Use of images, photos and video recordings

I hereby also consent to photos or videos taken of me during trainings and competitions. This should enhance the club's public relations and promote the sport (especially WBV/ÖBV) in general. I consent that the photos and video recordings are used for this purpose and may be publically transmitted via live stream, internet and social media.

I do not derive any rights (e.g. to remuneration) from this consent. I can withdraw my consent at any time with future effect. To do so I will write an e-mail to leitung@vrc-badminton.at or a letter to the club's headquarters (Schlettergasse 3/8/11, 1220 Vienna). In case of revocation the recordings will be removed from the respective platforms to the extent that is economically possible. If the recordings were made available e.g. on the internet they will be removed as far as possible for the club and economically feasible.
